Dear Robert:

As we have discussed recently, it may be advantageous to have a commissioner appointed to distribute the water on South Creek. If you still feel that this would be helpful, this could be accomplished at the annual Blue Mountain Distribution Meeting that has been scheduled for Monday, March 15, 1993. If you would like to proceed with this matter, it would be appreciated if you would come to the meeting with someone in mind to serve as the commissioner.

The commissioner is nominated by the water users, and appointed by the State Engineer. His salary, travel, etc. is paid for from assessments collected from the various water users.

We are looking forward to meeting with you again this year. If you have any questions before the meeting, please feel free to contact me at your convenience.

Sincerely,

Mark P. Page  
Regional Engineer
